

Ladd Field Committee Minutes
March 8, 7:00 pm
Worcester Town Hall

Members Present: Ted Lamb, Ken Bruno, Colleen Kutin, Michele Hill

Public: Judy Knapp, Brian Clark

Recreation Budget – We have \$200 in the town budget under recreation field maintenance supplies. Colleen made a motion to have the supplies line item in the Town Recreation budget transferred to the Ladd/Haymeadow Reserve Fund if it's not spent. All voted in favor.

Basketball Court - Michele will contact a contractor to get a quote on patching the cracks in the basketball court.

Clean Up Day – Ted will get in touch with Jeff Salvador and Rick Dyer on cleaning up the baseball field base paths. Colleen will work with the 5th and 6th graders to maintain the orchard.

Fourth of July – The haymeadow needs to be mowed for the Fourth of July. Judy said that Bill Dodge did a good job on it last year and charged \$200. Ted will ask the selectboard to have Bill to do it again this year.

Onion River Soccer Club – Brian expects practices to occur Mondays through Thursdays around 5:30 p.m., and games on Friday around 5:30 and Sundays starting around 10 a.m. A port-o-let will be provided by soccer club.

Old Highway Department Area – community improvement grants are available with priority to reduce runoff into Lake Champlain. The committee discussed several ideas but will need to determine what the town wants before moving forward.

Parking Lot Fence – since the basketball court is a higher priority, we will take no action on fencing this year.

Annual Committee Reorganization

Michele nominated Colleen to be chair. All in favor.

Ted nominated Michele to be secretary.

Ted will continue to help with the ballfield.

Ken resigned from the committee. He was thanked for his years of service.
