**Public Input:** None

**New Business:** Brian reported that sand and salt supplies are holding out and that the date of Tim’s retirement is unknown as of now.

Daniel Currier, from Central Vermont Regional Planning Center (CVRPC), discussed the steps need to develop and obtain a Municipal Road General Permit in order to comply with Vermont’s Clean Water Act (Act 64). The permit process entails completing a road erosion inventory and plan of implementation, which will direct road work over the next 20 years and hopefully assist in the clean-up of Lake Champlain.

Ashley Andrews and Laura Ranker, also from the CVRPC, reviewed the Local Hazardous Mitigation Plan with the Selectboard. The plan will be available for public comment in the near future.

Katie presented a report of eight delinquent tax payers who have not responded to her letters. Cheri motioned to follow the Delinquent Tax Policy and send the non-compliant tax payers to the town lawyer if they haven’t responded by 02/15/2017. Ted seconded. Motion passed.

**Old Business:** The Selectboard reviewed the current Town Purchasing Policy, which was originally adopted on July 7, 2008. The Selectboard agreed that the policy is in compliance with the Vermont League of Cities and Towns model policy and chose not to amend it.

**Announcements:** The next regularly-scheduled Selectboard meeting will be on at 6:30 pm at the Worcester Town Clerk’s Office.

**Bills:** Signed as presented.

The meeting was adjourned at 8:30 p.m.
