NEW BUSINESS
Town Clerk Report –

Checking for heat detectors and monitors are part of what PACIF inspection recommendations. This is an expense that can be placed into the capital expenditures. We will check into smoke/CO2 detectors

Need to renew the Resolution that supports the VT Land Trust's effort to purchase the Deer Lake Timber, LLC. Resolution resigned by Selectboard members.

Budget Review

The budget was once again reviewed for. We are now comparing apples to apples with this current document. Planning commission fees went up. Now have final insurance numbers. Ambulance service gave us final numbers. Cemetery Commission is level funded. Sexton's rates have increased. Highway department will increase the health insurance.

Looking at Fire and Fast Squad budget we may have funds that can roll over. This can only happen if there is money in the general funds at the end of the year. We will look into which reserve fund it should be in.

Right now Organizational support is at 11.5K
We do not know what the KH Library is coming in on their petition.

All invoices need to be in to Katie by December 4th for payment in the 2017 Budget.

Bills were signed.

CENTRAL VERMONT INTERNET

Discussion ensued regarding joining forces with other small towns to create a central VT internet service provider. Cheri will follow up with Jeremy to set up a meeting in town.

TOWN HALL CARETAKER POSITION

The job description has been updated. There are people interested in the position. Katie is continuing to look at possible candidates. Should be done before community lunch and anytime there are more than (XX) people using the kitchen.

Katie has budgeted for 2.5 hours per week in the current budget for 2018.

Next meeting is Scheduled for December 4th.

Meeting Adjourned 7:50pm

Respectfully Submitted
Cheri Goldstein
