TOWN CLERK/TREASURER REPORT

E-911 issues with Hancock Brook – cannot go up the Hancock Brook. The road will be divided into Upper Hancock Brook and Lower Hancock Brook (motion by unanimous agreement).

E-911, Montpelier Dispatch, Post Office, VSP - Middlesex and affected residents will be notified.

CLA study – we are 99.4%. We are at 10 years. We have received information from the state and the Select board will review in the new year.

FIRE DEPARTMENT

We have a firefighter during the day in town now. We received East Montpelier's set of Jaws with all the accoutrements- recently serviced. This was a donation.

Montpelier and Barre are negotiation a regional dispatch group. Capital West is its own municipality for dispatching. Will continue to monitor the situation.

PLANNING COMMISSION

Planning Commission has been working about a year. Toni is here to update on the plan. Working from the 2007 plan – which expired in 2012.

Two prong approach – prong one is updating what the plan has in it.

Prong two will be focused on survey of community input (last one was 2001).

This report may be long – and it will be formatted in a much better than the previous report.

Commissions expectation of the Selectboard is that it will be read review the policies included.

Shooting it have it updated for Town Meeting.

January 9th at 6:30 is the next Planning Commission meeting.

Bills paid.

Next Meeting in 2 weeks
