Will attended the Selectboard meeting. The board asked how things were going. Ted came to the house to see Will to check in and appreciated the fact that Wayne went to the previous meeting. Ted is the new chair of the board. He let Will know they are committed to reviewing the quotes for the SCBA. Reynolds and Center Fire quotes need to be to them by the May 10th meeting. Between the equipment fund and the 9K roll-over from last year, there is 14K. This should cover the cost of 8 new air packs. There is hope for a quantity discount when ordering. Will was encouraged to order the packs sooner rather than later. However, they won't be purchased before the May business meeting so the department can discuss the information.

Old Business:

Life insurance coverage was re-upped.

From Craig: Norton Antivirus needs to be updated for the department laptop.

Wayne has the paperwork for the May 26th coin drop.

CPR: the only three who have completed the online portion of the training are Albert, Rodney, and Travis. Will has asked that everyone try to get it completed by the end of April so Jane Kimberly can come to do the practical portion of the recert. If the password doesn't work, let Christa know.

New Business:

There is a fire investigation seminar May 22-26.
