3/20 Fast Squad call

Discussion followed pertaining to the call on 3/20 as the first person on scene is an EMT in training with another service, not Worcester. However, it was unclear as to whether he was on scene as a friend of the family, or as a responder.

As a reminder, a scene should not be called in as clear until all apparatus and responders are packed up and leaving. VSP can clear, then they are in control of the scene.

Willie didn't attend the Selectboard meeting.

The department's budget was approved at Town Meeting. 9K of unused funds from last year will be rolled over to this year's budget. It has been earmarked for SCBA replacement.

Recertification cards for Fire Fighter 1 have come in. Nikki received a letter stating her FF1 status has expired due to her not completing the hours she needed to be reinstated.

Willie will let Katie know the department will be signed up for the accidental death life insurance.

Old Business:

Albert brought the generator and portable pump to LMT on Rt. 12. Still waiting to hear if they have been fixed.

Wayne took a lighting quote from Rodney to the Selectboard, who, in turn, thought it was high and are still looking for other quotes.

New Business:

Coin drop will happen this year. Willie will get the paperwork filled out and to Wayne for signatures and delivery.

The department will participate in the 4<sup>th</sup> of July bbq.
