OLD BUSINESS:

The discussion continued about the soccer field expansion proposal from the onion river soccer club, for adding more soccer fields to the Ladd Field and Hay Meadow land. The select board talked about coming up with a non- binding question for town meeting on the feelings of the town about the expansion. Immediate plans call for having the onion river soccer club come up with information on what the plans are and what the area would look like. The select board in the meantime will come up with a article for PPF to begin receiving public input on the proposal to have additional soccer fields add to the area.
