Department:

Town Clerk:

The State has the approved entire voter list so both the town and school ballots will be mailed out at the same time. Corrected town warning collection of taxes will be Nov 15, 2021. Katie will be working on reviewing the quotes from the Fire Department for a new tanker truck. She is also is working with Ormsby's Computer about getting a wi-fi connection at the town hall linking up with the system at the town clerk's office.

Highway Department:

Brian everything going smoothly, equipment working well and sand pile supply is pretty much where it should be for this time of year. Starting to get some bids together for possible box culvert replacement on the Calais Road this summer.

PUBLIC INPUT: None

NEW BUSINESS:

Laura Stone with VT Highway Department headed a discussion about the bridges to be replace on Route 12 north of Worcester by 2024. She reviewed the early stages of project development plans to replace bridge 84 north of the village near the intersection of moose hollow road, also a large culver further north on route 12 and bridge 89 over north branch of the Winooski river near the cascades trail. She explained the different types of replacements, how traffic could be handled and estimated cost to the state for work at all three sights. There will be a finalized proposal available for review and comments by late spring this year. In the meantime ground boring crews could be out working soon testing soil around each work sight to help with decision making on designs and size of each project.
