

Planning Commission members please review the Town Plan [Actions at a Glance](#) before our meeting on Thursday. ID your top 3 actions. All should be a.) Desirable (you want to do it); b.) Feasible (it can be done); and c.) Viable (we have time and resources to do it). You can include in your top 3 an action that is not already in our Actions doc if it meets these three criteria. Also keep an eye out for "low-hanging fruit" where there is another entity that has capacity and appetite to get something done.

Many thanks,
Chani
