

Worcester Planning Commission

Meeting, September 12, 2017

Members Present: Toni Kaeding, Myles Chater, Stewart Clark

Notetaker: Suzanne Arrand (non-member)

New Member: Myles has contacted the Town about joining the Planning Commission.

First Pass at Overall Editing: We looked over Part I and Part II text and tables and did some more editing. Moved some stats to other parts of the document where they seemed more appropriate.

Future Meetings: Toni has been compiling the many sections into one document and will shortly send us the most recent edits so we don't lose momentum. The next meeting will be September 19 at 6:30, Town Office, to take an overall look at the rest of the document – starting with Part III and continuing as far as we can. There will not be a meeting September 26.
