**Public Input:** None

**New Business:** Wayne Pollard, president of the Worcester Volunteer Fire Department, reported that the department is in good shape. He presented the Selectboard with a recommendation for replacing the light fixtures in the department. There was a discussion about pertinent information to include in the town report. It is expected that a 2016 report will be available at town meeting.

The Selectboard agreed that a job description is needed for janitorial services at the town hall. Apparently there have been some complaints about the cleanliness of the hall and there is some confusion as to what is cleaned, how it’s cleaned and when. A job description of the services will be created and reviewed with all those involved.

**Old Business:** Laura Ranker reviewed the final draft of the Local Hazardous Mitigation Plan for the town of Worcester. The draft is being submitted to FEMA and neighboring towns. In addition, the plan will be posted on the town website, Front Porch Forum, and the CVRPC website. Public comment is welcome.

**Announcements:** The next regularly-scheduled Selectboard meeting will be on March 6, 2017 at 6:30 pm at the Worcester Town Clerk’s Office.

**Bills:** Signed as presented.

The meeting was adjourned at 8:30 p.m.
