New Business:

Fire Department Review (Will Sutton)

Will spoke with Reynolds regarding the air packs. We will be buying 4 “demo” air packs with bottles (45 minute carbon fiber bottles) and face masks. Price is \$19,988. WFD turned in old steel bottles for \$50/piece (about \$900). WFD connected with Williston and they give us more 45 minute bottles (No Cost). In the next year we will be looking for grants or other demo equipment. This will need to begin near the end of this year (2017).

Coin drop – about \$1000. 4th July they will be doing the BBQ again.

Will will discuss with Brian (Road commissioner) to come up with a time when the crew can help to dig for the dry hydrant on Norton Road.

WFD will fill the water tank for the community garden space.

Fire Chief does not support any other group doing a coin drop in the town. Will states he believes it will be detrimental to the town. WFD will not loan out equipment. The Selectboard is no longer in favor of this activity. Ted will relay this information to Michelle Hill and/or Penny Marwede

The proposed revenues, the grand list, and last year’s numbers were presented. It appears that for every \$100k of property value, \$2.97 increase over last year.
