

## **Meeting minutes for Worcester Cemetery Commission Meeting October 28th 2024**

Heather called the meeting to order at 5:45 PM.

### **1. Approve June 4, 2024 minutes**

Fran moved to approve the June 4 meeting minutes and Heather seconded; all approved.

### **2. Cemetery Maintenance**

#### **A. Green Burials**

Discussion: Town fill was the previous plan, but the town has been so busy with all of the flood issues. Fran had checked with Joe Mangan, who suggested we order 90 yd.<sup>3</sup> of fill to bring the green burial section to grade. Fran checked with M Brown Trucking who gave a quote of \$2250. Fran also checked with Gravel Construction who gave a quote of \$1620. Both of these quotes are for screened sand fill. Julie moved we contract with Gravel Construction. Fran seconded and all approved. Gravel Construction can deliver within a few days of the order.

Spreading of the new fill: Joe had said last year that he would level and map the green burial area for \$750. Fran has been in contact with him, and he is still willing to do it for that price. Julie moved to contact Joe and contract him to do this, Fran seconded and all approved. Fran will contact Joe and Gravel Construction to have the work done.

#### **B. Stone Straightening**

Discussion about stone straightening. Decision to hold off until spring because we are allocating a lot to prep the green burial area. We will revisit stones that might need to be straightened this spring.

### **3. New Business.**

Julie will contact Doty school again regarding interest in flag removal after Veterans Day. If the students will not be collecting the flags, we can collect them later in the fall.

### **4. Next Meeting.**

Our next meeting will be called when new business comes up. At this time, we do not have a future meeting date.

Fran moved to adjourn the meeting at 6:11 PM. Heather seconded. All approved.
